B. Radio Communications Update from 2004

J. Wampler stated that he had met with representatives of Hoosier Project Safety and the Boone County Sheriff spring of 2004. A committee was formed chaired by Tom Wheeler, Boone County Commissioner.

Motorola, Boone County Sheriff, Zionsville Police and Fire Departments, Lebanon Police and Fire Departments, Hoosier Project Safety and RA-COM the equipment provider.

We were assured that there would be several meetings and that everyone would have input into the project. Motorola was to issue coverage maps to Zionsville and tell us what needed to be done.

As to date we have not received any of the mentioned information. J. Wampler has met with RA-COM and has contacted Lt. Mike Nielsen, Boone County Sheriff Department, dispatch commander to no avail. No one seems to know what progress has been made.

Marshal Wampler has a February 1, 2005 meeting set with Boone County hopefully everyone involved will attend.

He is concerned with a possible budget problem if Zionsville is to be on line with Boone County in a limited time allowance.

Marshal Wampler reported that all the officers signed up for the program. There will be no reduction in regular insurance rates.
